THE BEE HIVE

Our PARIS ...PATTERN HATS

Have met with a flattering reception. Patrons wonder that we can sell 'em at such modest prices. The secret, by the way, lies in our buying them in such large quantities and from first hands. All declare the styles unique and absolutely proper. No two trimmed alike. Prices from \$1.69 to \$6.50, but worth fully 30% to 40% more.

A COMPLETE DRESS GOODS STOCK.

We believe we are justified in stating that our Dress Goods stock is now complete in every detail. There's nothing in woolen or cotton fabrics that Fashion decrees in vogue for spring of 1900 but what you will find it here. Venetians for the tailor-made gowns at 50c, 50c and \$1.25, all colors. Plaid homespun, 40 inches wide, worth fully 75c, our price 50c. Golf plaids from \$1 to \$2.25 per yd. The new stripes, in cloths of all wool, 50c to \$1 a yard. Sybelino Plaid 50c a yard. HER MAJESTY'S Corset!

MAKES PERFECT FORMS.

If you are stout this Corset will reduce the hips and abdomen to graceful proportions; if you are slender it will round you out and give you a shapely figure. As a form maker Her Majesty's Corset has not its equal in the whole world. It adds a hundred per cent. to the appearance of many who wear it—does it, too, without requiring injurious tight lacing, which is a great deal in its favor. Ask to see Her Majesty's.

VISITING REDMEN.

Ohio "Braves" Royally Entertained By the Maysville "Savages."

Wyandotte Tribe, I. O. R. M., last evening was honored with about fifty visiting Indians, among them the crack Team of Bradyville, O., with Brothers from Manchester, Augusta and Minerva.

Two pale faces were scalped in the most approved style, the Bradyville Team performing the services in one case and the local talent in the other.

Two applicants for membership were elected and four new petitions received.

After the ceremonies the participants made a raid on Wallace's, where an elegant luncheon had been prepared for seventy-five.

Altogether the evening was most delightfully spent and thoroughly enjoyed.

BOARD OF TRADE.

Officers and Directors Elected at the Meeting Last Evening.

The annual meeting of the Board of Trade was held last night in the Council Chamber, not very many merchants responding.

This lack of interest certainly stamps them not progressive.

The routine business was transacted, reports read and the year's work disclosed a remarkable showing for the good of the business life of Maysville.

All the old officers were re-elected, the roster standing—

President—John Duley.

Vice-President—W. H. Means.

Secretary—Treasurer—W. D. Cochran.

Six members of the old Board of Directors, whose terms had expired by constitutional limitations, were re-elected and twelve new members were added, making the Board of Directors for the ensuing year as follows:

C. D. Pearce, Thomas A. Davis, John C. Adamson, George T. Barbour, William R. Davis, J. Barbour Russell, E. P. Browning, J. W. Fitzgerald, C. M. Phister, M. A. O'Hare, J. C. Everett, Perry Frankel, S. Strauss, J. M. Hunt, M. F. Coughlin, Frank Clark, J. E. Parker, H. B. Owens, Garrett S. Wall, Thomas A. Keith, John I. Winter, D. Heehinger, M. F. Marsh and Mayor W. E. Stallcup.

The membership dues came in for quite lively discussion, and it was decided to publish a roster of the membership and urge payment of dues, then revise the list, dropping those who refuse to support the organization by dues.

Mrs. Judge Garrett S. Wall is still in a critical condition.

The venerable William N. Howe left surviving a younger sister, Mrs. Sarah Campbell of Aberdeen, aged nearly 82, and an elder brother, Joseph P. Howe of Kansas City, Mo., aged nearly 92.

The Queen City will be down tonight from Pittsburgh with a big trip.

Two inches of snow fell in the Allegheny Valley Wednesday night.

The Lizzie Bay was up last night for Charleston. She will return Sunday.

A number of farmers living on the banks of the Little Wabash took corn out of a sunken barge and had to pay twenty-five cents a bushel for it.

The City of Pittsburgh was down early yesterday afternoon, having made a remarkable run from Pittsburgh. She was bound for Louisville, and this is the first trip she has made since last fall.

The towboat Two Brothers, which sunk below Pittsburgh Tuesday, is being raised by William Carpenter. The boat has sunk three times and blown up once since she was first built. It will be several days before the boat is floated. She is lying directly in the channel below the point bridge, and should a good rise suddenly develop navigation would be greatly impeded, as the wreck is directly in the way of passing steamers.

The White Collar Line steamer Henry M. Stanley is sunk again, this time as a result of a collision with the Pittsburgh towboat Joseph Walton and her tow. It seems the Stanley ran into the Joseph Walton, damaging a barge of coal in the Walton's tow and sinking the Stanley. The Walton was the down-streamboat and had the right of way. The accident occurred at Rising Sun, Ind. The Stanley is very badly listed, lying on the Indiana shore with her knuckles almost out of water on the inside and four feet of water on the deck outside. She was on her way from Madison to Cincinnati to receive her outfit, after having come off the marine ways.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.

The allowance of \$100 voted to Mr. C. L. Sallee by the Fiscal Court was to pay for a wagon, and not for Attorney's fees as erroneously stated.

Chris H. Cook, aged 20, of Falmouth and Miss Mattie DeMoss, aged 18, of Foster were married Tuesday at Covington by Rev. J. M. Aikman.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
